**Grazie alla sua forma, ECOarch si distanzia naturalmente dalle superfici assorbendo da entrambi i lati**

Thanks to its shape, ECOarch naturally distances itself from any surface, absorbing on both sides

Grâce à sa forme, ECOarch s'éloigne naturellement des surfaces pour absorber des deux côtés

Dank seiner Form distanziert sich ECOarch natürlich von der Oberfläche. Es ist schallabsorbierend von beiden Seiten

Gracias a su forma, ECOarch se distancia naturalmente de las superficies y absorbe en ambos lados

## ECOARCH - CX

ECOarch può essere applicato concavo [CV] o convesso [CX]
