LIVELY SCIENCE-BASED ERGONOMICS

DEVELOPED FOR GLOBAL PLAYERS, AS WELL AS SMALLER COMPANIES

Today's working environments are as different as the personalities of their users. When it comes to sitting, the individual's well-being depends on ergonomic features of the task chair. Lively (Task) is the newest technology at an affordable price - for everyone who needs a healthy back for a long working life. The task chair is equipped for optimum ergonomics and clearly sets itself apart from the competition in its price class.

The Lively visitor's chair offers a sophisticated ergonomic solution without a large price tag. Stackable up to ten chairs high and offers Digital Seat Numbering for easy asset management, it is highly recommended for meetings or training sessions.

One family for multiple purposes, Lively is universal, fitting into every type of landscape. The democratic solution that ensures well-being at work.
