MISHELL

MISHELL

Mishell is an extensive line of seating solutions designed for private homes and commercial spaces. A distinct hallmark of the collection is the strongly profiled bucket shape of the seats which provides superior user comfort.

The family comprises armchairs, chairs and bar stools.

Thanks to the rich palette of finish and upholstery colours to choose from, and an elegant form and sophisticated details, Mishell is a universal design that fits in perfectly in home settings, but also hotels or offices.
