NOVA Wood

Nature's touch in
your office!

Desking system that gives your office a delicate sense of luxury and brings you closer to nature and home atmosphere!

NOVA Wood

is suitable for arranging offices based on the open space concept including different zones for individual work, teamwork, meetings and leisure activities.

Solid ash wood legs make every desk **unique**

Tree's texture and wide growth rings create a distinctive pattern.

Stained and lacquered wood reveals the pattern even more.

Natural wood tends to change colour over time.

Note: wood is sensitive to sunlight and temperature changes.

Adjustable legs height

All tables have plastic adjustable gliders you won't even notice. It enables you to adjust the height in the range of 10 mm. Useful especially on uneven surfaces.

Various desktop types and textures for subtle combinations

Melamine with ABS edging:

PerfectSense Matt laminate

High-quality finish stands out with its unusual look and surface feel.

Advantages:

- super-matt surface;
- resistant and dense;
- anti-fingerprint property;
- minimal cleaning effort.
