RADIAL PENDANT LAMP

Inspired by 3D puzzles, Radial offers a universal lighting solution with many design possibilities. You can choose preferred colours, combine several lamps together and play with their positioning to create a custom lighting installation. Thanks to its bold geometric expression, Radial will become a true eye-catcher in any interior.

PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

COLOURS

Slight colour deviations can occur since the PET Felt is made from recycled fibers.
