space becomes place

Bowi

The need for space and flexibility is increasing. With its upgraded sustainable design, Bowi is a versatile seating solution for a range of environments, from conference rooms to cafeterias and meeting spaces to project spaces. Simple aesthetics allow it to compliment most environments, with its crafty mechanism allowing Bowi to be easily tilted and stored using minimal space. Whether in work or educational spaces, Bowi is equipped for every kind of audience.

Features

- Simple clean aesthetic to suit most environments
- Unique pivoting mechanism, allows easy nesting
- Cost-effective all plastic design
- Made with circular design principles: the seat and back pads are replaceable and recyclable
