Shieldon

Shieldon is a comfortable swivel chair offering the user an opportunity to maintain individual space in open-plan venues. The high backrest of the chair extends to the side, ensuring privacy and acoustic comfort. The other side remains open, allowing unrestrained contact with the surroundings.

---

Two versions are offered: with high backrest on the right or left side. The seat, with its tilt and swivel capabilities, adjusts to user preferences, offering superior comfort of use.

---

The chair is designed for both commercial and residential premises.
